

# Run Organizer Needed for the 100 Mile House Terry Fox Run

For immediate release  
June 12, 2019

Port Coquitlam, BC – This year, hundreds of thousands of people across Canada will lace up to participate in the annual Terry Fox Run scheduled for Sunday September 15th. Now in its 39<sup>th</sup> year, the event's longevity is a testament to staying true to its roots: grassroots, volunteer-led, non-competitive, and family oriented.

We are currently seeking a new **Run Organizer** to chair the **100 Mile House Terry Fox Run**. In existence since 1985, 100 Mile House has hosted an annual Terry Fox Run and contributed over \$58,395.94 to cancer research. The Terry Fox Foundation will work closely with the volunteer chair and provide support, training, and materials to ensure the success of this year's Run.

## **A Proud Canadian Tradition**

Thirty-nine years have passed since that cold April morning when Terry Fox set out on his *Marathon of Hope* on the easternmost edge of our nation. In the ensuing years, millions of Canadians have followed in his footsteps to forge a uniquely Canadian event.

Our greatest strength is the extraordinary team of Terry Fox volunteers that span from coast to coast, a human chain linked by a common purpose – to make a positive difference in the fight against cancer. They also share many of the attributes Canadians hold most dear: they are dedicated and driven, helpful and humble and, above all, they are caring and compassionate.

If **you** are an **enthusiastic** and **organized** individual who possesses exceptional **leadership** skills, and **passionate** about making a difference in the world, contact us today and join the mission to change lives for the better every day.
